

## CHATEAU TOUR DE CALENS - Graves Blanc 2016

### Description

Gravels scents

South of Bordeaux, on the left bank of the Garonne river, its tower rises like a lookout above the vineyards: the Château Tour de Calens command a 10 hectares vineyard anchored in a land of deep gravels and grey sands. The property, in our family since 1987, allows us to sign wines of soil, complex and elegant red, white and sweet.

### Tasting Notes

«Magnificent yellow pale color, bright & clear. Flavorful & intense nose which reveals dried fruits, almond, nuts, stone fruits with a hint of buttery aromas. Outstanding Mouthfeel, with a refreshing & well balanced structure between the fruit & the oak; this distinguished & harmonious wine exhibits a clean acidity which wraps up so well the distinguished fruit flavors.»
