

CHATEAU TOUR DE CALENS - Graves Red- 2014

Description

Gravels scents

South of Bordeaux, on the left bank of the Garonne river, its tower rises like a lookout above the vineyards: the Château Tour de Calens command a 10 hectares vineyard anchored in a land of deep gravels and grey sands. The property, in our family since 1987, allows us to sign wines of soil, complex and elegant red, white and sweet.
